

Agathe COLLEONY

 agathe.colleony@gmail.com

French nationality

Born on 25, July, 1988

CURRENT POSITION

Feb. 2017 - **Postdoctoral fellow position in Environmental psychology:** “Linking biodiversity and human well-being”
Human and Biodiversity Research Group, Technion, Israel Institute of Technology, Israel

EDUCATION

Oct. 2013 – Sept. 2016 **PhD position in Conservation sciences:** “Evaluating the potential of zoos in reconnecting people with nature and conservation issues”
Centre of Ecology and Conservation Sciences (CESCO), National Museum of Natural History (MNHN), France
Supervised by Anne-Caroline Prévot, Susan Clayton and Michel Saint Jalme

Sept. 2011 – Sept. 2012 Master’s Degree in **Ecology and Biodiversity**, with honours
University of Rouen, France

Sept. 2009 – June 2011 Master’s Degree in **Animal and Human Behaviour**, with honours
University of Rennes, France

Sept. 2006 – June 2009 Bachelor Degree in Life Sciences and Organismic Biology, with honours
University of Rouen, France

RESEARCH TRAINING

June 2015 6-day **Workshop in Environmental psychology**
*Summer School on Theories in Environmental Psychology, **Sardegna***

Apr. – Sept. 2012 Research placement on the fragmentation of the tropical rainforest and mammal species richness in Palenque, Chiapas, Mexico, and on the rehabilitation of spider and howler monkey infants and young adults rescued from illegal pet trade
*Estacion de Biologia Tropical Los Tuxtlas, Instituto de Biologia, **Mexico***
Supervised by Dr Alejandro Estrada, primatologist

Mar. 2012 Intensive fieldwork training on tropical ecology
*ECODIV Lab (Rouen, France) and Complexe Educatif Dr Alfonse Mackanga Missandzou (CEDAMM-WCS, **Gabon**)*
Supervised by an international team of researchers

Jan. – June 2011 Research placement on the effect of social context on cooperative behaviours in humans
*Centre for Behaviour and Evolution (Newcastle, **UK**)*
Supervised by Dr Daniel Nettle, reader in Psychology

Apr. – May 2010	Research placement on cooperation in Psittacidae (African Grey Parrots and Budgerigars) <i>Compared Ethology and Cognition Lab (Nanterre, France)</i> <i>Supervised by Dr Dalila Bovet, ethologist, and Dr Franck Peron</i>
May – June 2009	Training placement: welfare evaluation descriptive study by abnormal behaviours analysis of Wild-cat <i>Zoological Park of Sainte-Croix (Rhodes, France)</i> <i>Supervised by Jessica Manichon, ethologist</i>
Nov. – Dec. 2008	Training placement: sorting and identification of Coleoptera, especially Carabidaea <i>Supervised by Nicolas Moulin, entomologist</i>

PERSONAL SKILLS AND COMPETENCES

Mother tongue:	French
Other languages:	English (Fluent) and Spanish (basic skills)
Social skills:	Various experiences of independent and team-work , within different research units, in various countries, during my previous research placements Secretary of the Student Association of the National Museum of Natural History: team-work on organisation of social and scientific events Social skills acquired during previous experiences working with children as a camp counselor
Organizational skills:	Organisation of an International Congress on Natural History Sciences (http://ynhm.sciencesconf.org/), through the Student Association of the National Museum of Natural History Leading skills acquired during the supervision of a children camp (team of 3 educators and 15 children) Supervision of different interns during the PhD (Bachelor and Master's students) Class teaching in Conservation psychology (Bachelor and Master degree students)
Technical skills:	Specific use of statistical programs : R, SPSS Statistics 17.0 ; Use of Geographical Information Systems : ArcGIS 9.3 ; Creation and use of DataBase : Access 2007
Artistic skills:	Creativity , expressed mostly when designing and creating educational activities and materials for children
Other skills:	Practice of horse riding at competition level, dog agility training, dancing, climbing, photography and travels around the World Diploma for youth leaders and workers, Basic Life Support French driving licence B (for cars)
